

INFORMAZIONI TECNICHE / SPECIFICATIONS

La collezione di tavolini Jasper si distingue per una struttura leggera ed elegante, definita da tre gambe a sezione tonda e da un piano circolare incassato. Puntali e piedini, disponibili anche in finiture differenti rispetto alla struttura, aggiungono un dettaglio ricercato e valorizzano il disegno essenziale del tavolino. L'ampia scelta di materiali per il piano — legno, marmo, cristallo o cuoio con impunture tono su tono — permette di creare diverse combinazioni materiche e cromatiche.

Dimensioni:

Jasper Small — Ø 40 × H 47 cm

Jasper Medium — Ø 60 × H 37 cm

Jasper Large — Ø 80 × H 27 cm

The Jasper coffee table collection features a light and elegant structure, defined by three round-section legs and a recessed circular top. Tips and feet, also available in finishes contrasting with the structure, add a refined detail to its essential design. The wide selection of materials available for the top — wood, marble, glass or leather with tone-on-tone stitching — allows for a variety of material and colour combinations. Tremolada
